# Life is beautiful, goodbyes can be, too

Families can choose a coffin that celebrates the memory of their loved one – a loving tribute not to a life lost, but to a life lived.

Expression Coffins are handmade in Australia by master craftsmen and wrapped in high quality imagery, using the latest technology.

## **Latex, water-based inks**

Each coffin's image-wrap is produced using water-based inks.

## **eZero MDF board**

Expression Coffins are created with an eZero MDF substrate. This MDF is a sustainable, renewable resource, manufactured from Australian plantation pine.

## **Giving back**

Expression Coffins offset the use of natural timber resources.
